Invoices are submitted weekly to payables@brightloom.studio. Each invoice must carry a unique invoice number and itemise units x rate.

3. Duplicates

An invoice for work already paid (same work, same period, same amount) will not be paid again, even if re-numbered or re-dated.

4.1 Weekly cap

Hourly contractors may bill up to the weekly cap in Schedule A without further approval.

4.2 Hours above cap

Hours above the weekly cap are payable only with a written change order from the Engagement PM issued before the work is performed.

4.3 Rush / weekend surcharges

Rush, weekend or out-of-hours surcharges are payable only if pre-approved in writing by the Engagement PM before the work is performed, and the approval states the amount or cap.

5. Payee details
